TECHNICAL COMMITTEE ORIENTEERING – ANNUAL REPORT 2005

Dear friends,

With reference to the CISM regulations Policy Manual I hereby send you the annual report from the Technical Committee Orienteering.

1 Technical Committee

1.1 Latest composition of the TC

Lt Col	Harald Oestbye	NOR	President	
Capt	Neda Punek-Gobec	CRO	Member	Secretary/Contact females
Col	Rady Ganev	BUL	Member	
Col	Nevzat Varol	TUR	Member	Contact Asia
LtCol	Ramon Pineiro	ESP	Member	
Maj	Jukka Kotilehto	FIN	Member	
CC RM-1	Jose Barros	BRA	Member	New member
Capt	Benedikt Humbel	SUI	Member	Event Advisor 2005
Capt	Kent Toernqvist	SWE	Member	
ICC	Roger Vanaken	BEL	Member	

1.2 Foreseen departures and appointments

None.

1.3 Continental representation

1.3.1 How many continents are represented

Orienteering is mainly a European Sport. We try to develop orienteering outside Europe. Turkey is working very hard and well to increase their level within orienteering. They have had great success in reaching this aim. Col Nevzat Varol, TUR is a member of the TC. He represents both Europe and Asia. CC RM-1 Jose Barros is a new member from Brazil. Both Jose Barros and Brazil are working very professional to promote orienteering in the Americas.

Conclusion: Europe, Asia and the Americas are represented.

1.3.2 Can the General Secretariat assist to enlarge the representation

There is no need for support. The nations are our best supporters.

1.3.3 Actions taken to enlarge the TC

None in 2005.

2 Competitions and activities

2.1 World Military Championships

2.1.1 Technical report

The 38th World Military Orienteering Championship was organised by Finland in Lappeenranta 10-16 June 2005. The CISM Official Representative was MajGen Archias from Brazil. The joint report is sent to the General Secretariat.

2.1.2 Technical meeting

The enlarged TC Meeting took place on 14th June 2005. The minutes from this meeting is enclosed.

2.1.3 Technical evolution of the sport

Orienteering has in recent years been through an electronic evolution concerning punching control. This gives both the runners and the organiser more and accurate results.

2.1.4 Technical problems of the sport

None.

2.1.5 Conclusion on the event

Overall an outstanding Championship.

2.1.6 Updated list of world records

There are no records in orienteering.

2.2 Continental activities

None, as far as the TC knows.

2.3 Regional activities

2.3.1 Europe

There are a number of regional activities in Europe. We do not have all the details. The TC is always invited. For further information please see the European office.

3 Doping

Anti Doping tests were carried out during the WMOC. For number and results I refer to the joint report.

4 Calendars

4.1 World calendar

2006	Brazil	Confirmed
2007	Croatia	Confirmed
2008	Romania	Option
2009-2???		No options, but a number of nations are interested.

4.2 Problems

None.

4.3 Continental and regional calendar

Please see the European Office.

5 Sports Regulations

5.1 General

At the TC Enlarged Meeting in Vilnius 2003, after a democratic process, we decided to introduce a new competition programme from 2004. This has been a great success.

5.2 Modification in 2005

None.

5.3 Translations

5.3.1 CISM languages

English.

5.3.2 Is the TC able to translate in the four CISM languages

No.

6 Evolution of the sport

As mentioned, orienteering is mainly a European sport. In addition Turkey and Brazil work very hard to increase their activity. Over all I am very satisfied with the situation.

7 Solidarity and Technical Assistance

7.1 General

The TC tries to support any nation that has a need for support.

8 Miscellaneous

I am very satisfied with the situation, and we have a perfect co-operation with the IOF. We focus on Friendship Through Sport. The most important thing and the bottom line is that: *The Nations want to participate and to organise.*

Friendship through Sport, especially Orienteering!

Best orienteering regards!

Harald Østbye
